

Nutanix Enterprise Cloud solution is capable of running your virtual desktops, databases, websites and business critical applications and also acts as the foundation to build a hybrid cloud with AWS, Azure or Google Cloud.

From now until 27 July 2018, the **Nutanix HCI 2-Nodes & 3-Nodes Program** is giving you the chance to own a turnkey, 100% software-defined platform, that allows you to rapidly deploy a scalable hyperconverged private cloud environment.

Starting from 2 Nodes

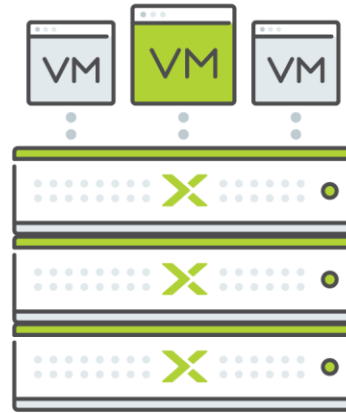

Configuration	Qty
NX-1175S-G5, 1 Node	2
E5-2650v4 12-Core 2.2GHz	2
